THE CITY OF FORT WAYNE

department of public safety

December 8, 1972

John Nuckols  
President, Common Council  
City of Fort Wayne, Indiana

Dear Sir;

Please consider this an explanation for this department's decision against awarding the attached contracts to the lowest bidder on items numbered two (2) and three (3), and please inform all City Councilman of such explanation.

The lowest bidder, if awarded the contract, would require this department to transport the vehicle to New Haven, Indiana, in the event of warranty work. Secondly, the lowest bidder is not, via municipal tax rates, supporting the existing budget of the Fort Wayne Police Department.

The total difference in the overall, seven-car package between the lowest bidder and next lowest, is \$382.90. On this basis was the decision made. Hence, Poinsatte Motors was chosen to deliver item 2, and Hefner Chevrolet for number 3.

Many thanks.

Sincerely,

Thomas J. Casaburo  
Director of Public Safety

1. **Special Conditions:** Special conditions included in the Bid Document shall take precedence over any provisions stipulated hereunder.
2. **Applicable Laws:** The Revised statutes of the State of Indiana, and all City ordinances insofar as they apply to the laws of competitive bidding, contracts, and purchases, are made a part hereof.
3. **Workmen's Compensation:** Insofar as Workmen's Compensation Act is concerned, the bidder or contractor agrees to furnish an official certificate from the Industrial Board of Indiana, showing that he is in compliance with such law, whenever such certificates are required in the Bid Document.
4. **Infringements and Indemnifications:** The bidder, if awarded an order or contract, agrees to protect, defend, and save the City harmless against any demand for payment for the use of any patented material, process, article, or device that may enter into the manufacture, construction, or form a part of the work covered by either order or contract and he further agrees to indemnify and save the City harmless from suits or actions of every nature and description brought against it, for or on account of any injuries or damages received or sustained by a party or parties, by or from any of the acts of the contractor, his servants, or agents.  
To this extent the bidder or contractor agrees to furnish adequate Public Liability and Property Damage Insurance, the amount of which will be determined by the City whenever such insurance is deemed necessary. When so required the types and amounts of insurance to be provided is set forth in the Bid Document.
5. **Pricing:** Prices should be stated in units of quantity specified in the Bid Document. In case of discrepancy in computing the amount of the bid the unit prices quoted will govern.

7. **Specifications:** Unless otherwise stated by the bidder the proposal will be considered as being in strict accordance with the specifications outlined in the Bid Document.  
References to a particular trade name, manufacturer's catalog or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of the City. They should not be construed as excluding proposals on other types of materials, equipment and supplies. However the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless a departure or substitution is clearly noted and described in the proposal.
8. **Samples:** Samples, when requested, must be furnished free of expense to the City and if not destroyed, will upon request be returned at the bidder's expense.
9. **Cash Discounts:** Time in connection with cash discount offered, will be computed from date of delivery and acceptance at final destination or from date properly executed claim voucher is received, if the latter date is later than the date of delivery and acceptance.
10. **Taxes:** The City is generally exempt from Federal Excise and Indiana State Sales Tax. Quotations must be separated to show the amount to be added for taxes of any kind if applicable. Prices should not include tax. The City will pay such taxes as are applicable to this purchase. Exemption forms will be furnished wherever necessary. Taxes wherever indicated and which are applicable to this purchase, will not be subject to any trade or cash discounts.
11. **Bid Informalities and Rejection:** The City reserves the right to waive informalities not inconsistent with law or to reject any or all bids.
12. **Award:** Unless otherwise specified in the Bid Document the City reserves the right to accept any item in the bid. Unless otherwise stated in the Bid Document bidders may submit proposals on any item or group of items, provided however that the unit prices are shown as requested.
13. **Payments:** Partial payments may be made upon presentation of properly executed claim voucher unless otherwise stated in the Bid Document. 15. The successful bidder, or contractor, agrees that he will comply with Indiana Acts 1961, chapter 208, section 10, being Burns Indiana Statute 40-2316-1964 supplement requiring such bidder, contractor, or his subcontractor not to discriminate with respect to hiring, tenure, terms, conditions, or privileges of employment because of race, color religion, national origin or ancestry.
